SHOW US YOUR GENITALS

As many of you may have seen on a few walls, we have one or two 'dick pics' framed. This isn't some new aged exhibition, turns out if you give anyone a pen and paper – Most draw genitals.

The collection ever growing, so if you would like to add your artwork to the wall - ask for the pens and paper. A few rules for you to follow...

- Paper – we provide, no dicks on the back of a menu**
- No soggy pics – these aren't the dicks we like wet**
- Original dicks – originality is key, no double dicking**
- Smile – let's not take this seriously, its adults being kids!**
- Vaginas – We would like to see more of those parts too**
